**Background:**

***Bargle the Infamous*** - Former Court Wizard of the Black Eagle Barony. Wanted for uncountable heinous crimes against humans, hin (halflings), and others. Whereabouts unknown. *500,000 Gold Royals alive, half if dead, Karamaikos.*

*Born:* AC 962 (apparent age 30). *Hair:* Light brown; long mustache and beard. *Eyes:* Black. *Height:* 6'1". Lean; handsome and charming when it suits him; dresses in colorful robes chosen deliberately to clash with or upstage other peoples' outfits. *Former Magist of the Black Eagle Barony in Karamaikos.* Bargle is called "the Infamous" for the horrid deeds attributed to him. A lean, handsome man, Bargle can be charming which it suits him. He loves the good life, and loves making life bad for others. People whisper of dark magics and of secret, dangerous experiments he performed on humans and hin provided by von Hendriks. Bargle is known to possess a *staff of wizardry*, which enhances his powers for evil, and it is believed that he has the knowledge & ability to re-charge the staff.

In 1010 he deserted his master, looting the baronial treasury and teleporting far away. There were reports that Bargle was involved in suppressing the uprising of Jennite slaves in Esterhold in 1012, but little is known of his actions or whereabouts throughout 1013. There have been rumors that he may have returned to his old haunts in the Black Eagle Barony (now the Barony of Halag).
