

## Maxelevius School

Origin: Kantrium  
Rank: Sacrificium

Kantrium isn't exactly the hub of excitement and adventure in the Empire, and the local schools have all been of the local noxii types intended to fall before visiting gladiators. However, Votis Maxelevius has gathered together some of the best locals he could and is trying to establish a travelling school. Most everyone considers them a joke - he intends to prove everyone wrong.

<b>Domerius</b>	Male	Half-Orc	Traldar	Level 1
<i>Violent : Jealous. Keeps a diary of their accomplishments.</i>				
<b>Tuso</b>	Male	Human	Insulas	Level 1
<i>Sober : Reverent. Bigoted. Try to hold yourself to the highest standards.</i>				
<b>Soppius</b>	Male	Elf	Peltast	Level 2
<i>Sober : Reverent. Addicted to a healing herb. Give a sucker an even break.</i>				
<b>Matana</b>	Female	Human	Sagittar	Level 3
<i>Quiet : Retiring. Uncultured.</i>				
<b>Gena</b>	Female	Dwarf	Legionnaire	Level 4
<i>Uncivilized : Crude. Stares. Try to be ruthlessly realistic.</i>
