

# THRESHOLD

THE MYSTARA MAGAZINE

## Future and Alternate Mystaras

In this new issue of *THRESHOLD* Magazine we explore the infinite possibilities of Mystara, imagining many possible futures and many possible variants of our beloved campaign world. There isn't only the Known World and the many unknown lands we have already, at least partially, explored in many previous issues, but also almost infinite, uncertain futures and different Mystaras where history has gone in a completely different direction. Choose your variant Mystara and play with it!

All this can be found only in this latest issue of our favourite magazine!
